

**CYPRESS SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

DONNA L. MCDUGALL

OCCUPATION: Board Member/Teacher

As a classroom teacher and current Board member, I am uniquely qualified for this position. I have been part of a team shepherding a strong academic program, evidenced by high test scores, and have provided leadership to a District recognized as one of the finest in the state.

My children attended Cypress schools. I count many teachers as friends and make it a point to visit schools often. I am proud of our outstanding employees, supportive PTAs, our ability to maintain low class sizes, and our effective parent advisory committees.

I am a delegate to the California School Boards Association and have served as president and member of the Orange County chapter.

Innovations I have supported include a voluntary year-round program, educational technology in classrooms, and a successful Foundation raising \$700,000 annually.

The District has cooperated with city councils to provide childcare centers, joint use agreements for school playgrounds, and property development for senior citizen apartments. The District has not asked residents to increase taxes for bond measures or tax overrides.

When selected to serve, I will continue oversight that is fiscally conservative and continue to oversee outstanding educational opportunities for children.
